

bias

The  
inside  
us

**Discussion Pack**

**What insights about bias can you share with your family, friends, coworkers, patients, and community?**

**How does bias impact the way you think, behave, and see the world?**

**What can you do to  
better understand  
your own biases in  
the workplace?**

**How can you have  
conversations around bias  
with your coworkers?**

**How can you name your  
biases as you experience  
them to be a better  
colleague/manager?**
