The Science of Practicing Medicine: Update on Clostridium Difficile Infection

Becoming a Learning System

Lucio Minces, MD

Facilitators, planners and CME staff do not have any relevant financial relationships with ineligible companies to disclose.

Objectives:

At the conclusion of this presentation, participants should be able to:

- Understand the pathophysiology, and difference between infection, colonization, and recurrence of infection.
- Understand the use of diagnostic tools for active infection.
- Be aware of the status quo of the management of infection.
- Gain awareness of the technical tools available in the EMR to support C. diff diagnosis and management.

CentraCare is accredited by the Minnesota Medical Association to provide continuing medical education for physicians.

CentraCare designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please contact the Medical Staff Development Office at (320) 255-5836 if you have special needs.
