The Science of Practicing Medicine: Basics of Heart Failure

Becoming a Learning System

David Miranda, MD

Dr. Miranda discloses that he is on the eligibility committee for Endotronix. The relevant financial relationships have been mitigated. Other facilitators, planners and CME staff do not have any relevant financial relationships with ineligible companies to disclose.

Objectives:

At the conclusion of this presentation, participants should be able to:

- Define the scope of the problem.
- Understand basic heart failure pharmacotherapy and when to refer to Cardiology.
- Understand new therapies, remote monitoring and structural heart failure.
- Manage congestion at CentraCare.

CentraCare is accredited by the Minnesota Medical Association to provide continuing medical education for physicians.

CentraCare designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please contact the Medical Staff Development Office at (320) 255-5836 if you have special needs.
