# The Science of Practicing Medicine: 2022 KDIGO Updates and the Role of Mitochondria in Diabetic Kidney Disease

## Becoming a Learning System

### Viral Vakil, MD

Facilitators, planners and CME staff do not have any relevant financial relationships with ineligible companies to disclose.

#### Objectives:

At the conclusion of this presentation, participants should be able to:

- Know when to refer to nephrology.
- Understand pathophysiology of diabetic kidney disease.
- Understand the 2022 KDIGO guidelines on diabetic kidney disease.

CentraCare is accredited by the Minnesota Medical Association to provide continuing medical education for physicians.

CentraCare designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This education offering has been designed to meet the Minnesota Board of Nursing continuing education requirements for 1 contact hour. It is the personal responsibility of each participant to determine whether this activity meets the requirements for acceptable continuing education by the licensing organization.

To earn contact hours, participant must attend all sessions and complete an evaluation form.

Please contact the Medical Staff Development Office at (320) 255-5836 if you have special needs.
