Winter/Spring APP CME Event

Treatment of the Two Most Common Sleep Disorders

Jennifer Miller, PhD, LP
Troy Payne, MD

Speakers, planners and CME staff do not have any relevant financial relationships with ineligible companies to disclose.

Objectives:

At the conclusion of this presentation, participants should be able to:

- Understand the pathophysiology and consequences of untreated obstructive sleep apnea.
- Understand the many different treatment options for obstructive sleep apnea.
- Identify criteria for insomnia and available treatment options.

CentraCare is accredited by the Minnesota Medical Association to provide continuing medical education for physicians.

CentraCare designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement(s) of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Please contact the Medical Staff Development Office at (320) 255-5836 if you have special mobility, vision, hearing, or other needs.
