

Clinical Updates

Ehlers-Danlos Syndromes (EDS) with a focus on the Hypermobile EDS

David Tilstra, MD
Amber Lieser, APRN

Speakers, planners and CME staff do not have any relevant financial relationships with ineligible companies to disclose.

Objective:

At the conclusion of this presentation, participants should be able to:

- Have a better understanding of Hypermobile EDS and when to refer to Genetics.

Steps to view and obtain CME:

1. View podcast recording at one.centracare.com
2. Complete online evaluation/attestation of participation using this [link](#) by 12-27-2024:

CentraCare is accredited by the Minnesota Medical Association to provide continuing medical education for physicians.

CentraCare designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement(s) of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Please contact the Medical Staff Development Office at (320) 255-5836 if you have special mobility, vision, hearing, or other needs.
