Anatomy of a CBC

Raquel Walsh Jahnke, DO, MBA

Speakers, planners and CME staff do not have any relevant financial relationships with ineligible companies to disclose

Objectives:

At the conclusion of this presentation, participants should be able to:

- 1) Learn how to evaluate important parameters on a CBC
- 2) Develop differential diagnoses for aberrations identified – including clues to the diagnoses
- 3) Understand levels that require urgent/emergent evaluation

For CME Credit:

Watch this recording and complete the online evaluation/attestation via the QR Code found at the end of this slide deck. Evaluation must be completed within 30 days of podcast launch.

CentraCare is accredited by the Minnesota Medical Association to provide continuing medical education for physicians.

CentraCare designates this enduring material for a maximum of .25 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement(s) of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Please contact the Medical Staff Development Office if you have any special mobility, vision, hearing or other needs.
